

St James' Church is an open and caring community of Christians, each of us wanting to share God's love with the world around us.

We believe that the Christian message of love and forgiveness is one that benefits the whole world. Our faith starts with prayer and worship, but inevitably takes us out into the world to care for others.

We have a play area for young children in the centre of church for them to use during services and we serve refreshments after each of our services too.

Baptisms are held during the 2nd and 4th Sunday services. Please contact Rev'd Ian if you want any further details.

We regularly run **Alpha** and other **Discipleship** courses throughout the year. Contact Rev'd Ian for details.

For more information about any of the above, please check out our church website or notice board.
